# “Provides meaningful information to assist in transition planning!”

## Services

- Online career assessment assesses abilities and work values
- Hands-on career exploration
- Written assessments of interests, work skills and social interactions based on formal and informal assessments and observations
- Individual follow-up staffing to discuss all results

## Benefits

- Engages students in thinking towards their future
- Broadens students' exposure to available careers
- Increases self-awareness of interests, skills, abilities, and needs
- Assists students in identifying and developing their work skills
- Provides direct link between school knowledge and the world of work

## How does Project Discovery assist in fulfilling needs of IDEA Transition Services Law?

- Age-appropriate transition assessment
- Identify strengths, preferences and interests
- Increased awareness of transition needs
- Development of post-secondary goals
- Assists in setting clear and specific transition goals

The cost for Project Discovery is \$550 for up to five students. MDE's Transition Disabled Funds will cover approximately half the cost ... and Carl Perkins or other school district funds may be used to cover the remaining charges.
