

Are you looking to save time and money on your recruiting and hiring process? Look to AppliTrack!

What is AppliTrack?

AppliTrack is a web-based applicant tracking and recruiting system that helps your organization identify and hire the best candidates. With AppliTrack, your staff can **search, sort, and evaluate** a candidate's credentials from any computer with an Internet connection.

AppliTrack is the most popular online job application system in education!

Why Choose AppliTrack?

- Search and filter applicant pools in seconds
- Easily publish job openings to your website, co-op job board, state-wide job board, EdPost, and K12JobSpot.com
- Automated Reference Surveys and Interview Manager
- Integrated mass e-mail tool
- Applicants can upload resume, transcripts, reference letters, etc.
- First 30-days FREE!

Whether you receive 4,000 applicants or 10, AppliTrack could save your district thousands of dollars each year!

Visit <http://applitrack.com/home/atsavings.aspx> to calculate how much your district can save compared to a paper application process!

**Focus on the people,
not the process!**

The Minnesota Service Cooperatives' partnership with AppliTrack offers two options for members.

Option #1 - Participate with other districts as part of a consortium.

This is the most economical option. The consortium works together to standardize forms.

Option #2 - Purchase the service as a stand alone system for your district.

With the stand alone option, your district can customize its own forms.
