

Apps for FACS

Ashley Davis

# Learning Objectives

---

- Technology is advancing faster than we can blink an eye.
- FACS classrooms are already a hands on environment, so why not take advantage of this new fun technology!?
- Integrative technology can make teaching more resourceful and appealing to students.

# Classroom Management

- Provide instructions **BEFORE** iPads are used.
- Security settings are minimal: teacher involvement should be at the maximum.
- Don't worry if you have a question about the technology, the students always seem to know.

# General iPad information

---

- "You get what you pay for" always applies. (apps, accessories, etc.)
- Invest in a good case(s)
- Maintain security
