ABSENCE FROM WORK

Absenteeism not only hurts the patient and fellow employee but the absent intern as well. If it is necessary to be absent because of illness, accident or for any other reasons, the intern should call or see their supervisor and Project SEARCH (PS) staff as soon as possible before the start of the assigned shift in order to find a replacement worker if possible. At the time the intern gives notice of their absence, the reason and approximate length of time the intern is going to be gone should be indicated.

The Intern shall not be absent from duty without permission of the department manager, immediate supervisor and Project SEARCH staff. Any intern absent without approved leave will be subject to corrective action including suspension and/or termination. Please make every effort to schedule appointments outside of the workday.

Interns found to have excessive absenteeism or tardiness may be evaluated to determine if any level of corrective action is necessary. Five or more incidents of absenteeism/tardiness in any internship 12-week period (per internship) are considered excessive. Interns unable to attend should call the PS instructor by 7am at 507-476-5246 and leave a voicemail message.

APPEARANCE

While on duty at the medical center, proper dress and personal hygiene will be expected of all employees and interns to ensure a positive impression by our patients and visitors. Hair must be clean, cut, combed, groomed and maintained, antiperspirant, deodorant, and products that eliminate body odor **MUST** be used. Bathing and teeth-brushing should occur daily. Approval of facial hair is at the discretion of the department.

BREAKAGE

It is not the medical center's policy to charge employees for breakage unless there is evidence of repeated carelessness or intentional abuse.

LUNCH

Generally, interns will be allowed a 30-minute lunch break. Each department will establish appropriate staffing levels and schedule breaks accordingly. Interns are encouraged to eat with their department.

CAFETERIA

CORRECTIVE ACTION

Avera Marshall reserves the absolute right to determine corrective action.

An employee or intern shall be subject to corrective action for inadequate performance as well as abuse or disregard of facility rules and policies.

Avera Marshall reserves the absolute right to determine the process to be used and the nature and extent of corrective action required.

The following are illustrations of corrective action options to be applied at the sole discretion of Avera Marshall.

- Verbal warning may be given in the case of minor one-time offenses. A team meeting will be held at this time to determine corrective action steps.
- Written warnings will be issued for more serious situations or repeat offenses. These warnings will become a permanent part of your records.
- Suspension: If the intern fails to improve after written warnings or if the incident requires a more severe initial action, the intern may be suspended. This action will be documented and will become a permanent part of your records.

Please refer any specific concerns to the Infection Control Nurse or Infection Control Committee. Their purpose is to institute and maintain measures of prevention and control of infections for patients and employees.

TARDINESS

Excessive tardiness for whatever reason reflects poorly on your overall contribution to Avera Marshall. Frequent and repeated problems in this area will be taken into consideration and may be grounds for corrective action.

TECHNOLOGY

Personal cell phone use (phone calls and texts) is not allowed during classroom or work time. All cell phone ringers must either be on *silent* or *vibrate*. Project SEARCH staff strongly discourage interns from bringing electronics and personal items to work. Should an intern choose to bring such items to work, it is at the intern's risk. Project SEARCH and job site staff are not responsible for personal items that become lost, misplaced, damaged and/or stolen. Unless otherwise specified and approved, personal email, cell phones and electronic devices may not be used, except during breaks.

Extremes in dress, hairstyles and jewelry are discouraged.

TRANSPORTATION

Transportation is the responsibility of the intern's home district. Interns will follow the Project SEARCH Calendar; but will follow home district policy for weather related transportation.
