

## RRR ALC Holds Graduation

SWWC Service Cooperative's Red Rock Ridge Alternative Learning Center graduated 21 students on May 24, 2018. Graduates represented the following school districts: Butterfield-Odin, Jackson County Central, Mountain Lake, Pipestone Area, Red Rock Central, Windom Area and Worthington.

The graduation ceremony featured teacher Steve Kuntz as the keynote speaker, along with two student speakers, Elizabeth Weber and Giovanni Flores.

Teacher Jill Cihak spoke highly of the graduates saying, "This is a good group of students who have overcome a lot in order to reach their goal of earning their high school diploma."

Many of this year's graduates have overcome drug and alcohol dependency, have worked hard to make up numerous failed credits from their home district, and one of the students is the first high school graduate in his family. Future plans for the graduates include work, attending college and going into the military (Marines and National Guard).
