

**Adults: How has the experience at this conference influenced your child/student?**

---

- Encouraged excitement and curiosity.
  - Great fun and learning.
  - I think they were excited about new opportunities.
  - He wants to go back again so I think that is great!
  - It gave him an opportunity to learn in a new environment and from different teachers that give a different perspective.
  - My daughter loved the conference! She now wants to be a scientist!
  - Positive regard toward science and research.
  - They love coming.
  - Yes, really enjoyable.
-
