24 New Contracts in 2016

In 2016 the Cooperative Purchasing Connection awarded and renewed 24 vendor contracts this year covering Athletics, Facilities & Grounds, Instructional Resources, Professional Services, Security, Software, Supplies - Office & Classroom, and Technology!

We added two new vendors to our online marketplace, Express, this year so Express now features 15 of our vendors in one convenient online store.

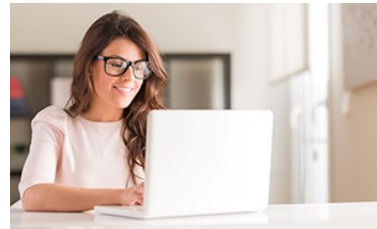

Express turned three this year and we're celebrating by giving away a birthday present. There's still time to enter.
